Prashna Shastra V

Tajik yoga

Iqbal yoga

- **When all planets are placed in kendras (1,4,7,10) and panphara houses (2,5,8,11)**
- **This is an auspicious yoga**
- **8 house should be removed from this group as any planet there causes problems and challenges**

Induvaar yoga

- **All planets are posited in apoklima houses(3,6,9,12)**
- **Even if many planets are placed in these housesit would give problems**
- **However better not consider 9th house here; it being a very auspicious house**

Ithsala yoga

- **Faster moving planet should be behind the slower moving planet**
- **Lagnesh (lagna lord) and Karyesh (significator lord) should mutually aspect each other**
- **The above two planets are in Deeptamsha range**

PLANETS IN ORDER OF THEIR MOVEMENT (SPEED)

(FASTEST TO SLOWEST)

- **MOON, MERCURY, VENUS, SUN, MARS, JUPITER, RAHU/KETU, SATURN**

PRASHNA SHASTRA

ASPECTS IN TAJIK YOGAS

- ♣ FRIENDLY 3,5,9,11
- ♣ UNFRIENDLY 1,4,7,10
- ♣ NEUTRAL 2,12,6,8

Note: Only friendly and unfriendly aspects are considered, neutral aspects are not

EXAMPLE: LETS SAY MOON=3° 20′

MARS= 4° 30′

DISTANCE BETWEEN THEM = 1° 10′

IF THEY ARE AT A DISTANCE OF 3,5,9,11 OR 1,4,7,10 HOUSES FROM EACH OTHER THEY WILL BE IN MUTUAL ASPECT IN THEIR DEEPTAMSHA RANGE

DEEPTAMSHA RANGE OF PLANETS

PLANETS	SUN	MOON	MARS	MER	JUP	VEN	SAT
DEEPTAMSHA RANGE	15°	12°	8°	7°	9°	7°	9°

IN THE GIVEN EXAMPLE

TAKE DEEPTAMSHA DEGREES OF TWO PLANETS

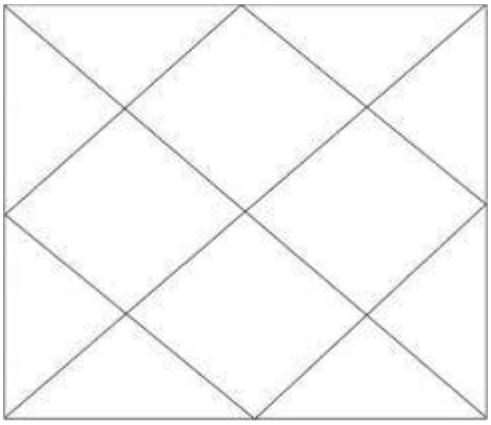
HERE MOON= 12°

MARS= 8°

THEIR AVERAGE=12+8= 20/2=10

HENCE IF MOON AND MARS WILL BE AT A DISTANCE OF 10 DEGREES FROM EACH OTHER PLACED IN 3,5,9,11,1,4,7,10 HOUSES FROM EACH OTHER THEIR WILL BE ITHSALA YOGA BETWEEN THEM

PRASHNA SHASTRA



AS IS THE CASE ABOVE THE DISTANCE BETWEEN MOON AND MARS IS 1° 10′

THEREFORE THERE IS ITHASALA BETWEEN MOON AND MARS HERE

RESULTS OF ITHASALA YOGA

- **AN ITHSALA YOGA GIVES GOOD RESULTS**
- **ITHSALA BETWEEN LAGNA LORD AND 8TH LORD IS NOT AUSPICIOUS**
- **ITHSALA BETWEEN LL AND 10L WILL GIVE GOOD RESULTS REGARDING CAREER**

PRASHNA SHASTRA
